

As an extremely concerned citizen I ask that the FCC exercise its authority to stop Sinclair Broadcasting from abusing its power with programs such as the deeply partisan program, "Stolen Honor."

Sinclair Broadcasting's biased decision to force their stations to air an anti-Kerry documentary days before the presidential election is a violation of all our Constitution represents, and a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest, requiring strict adherence to non-partisan broadcasting or, to better inform the public, giving equal air time to partisan material from both parties. Thank you.
